## Mrs Syeda Marvi Rashdi, MPA & Parliamentary Secretary, Visits Aror University Sukkur

January 07, 2025- Mrs Syeda Marvi Rashdi, MPA/Parliamentary Secretary Universities & Boards Department, Govt. of Sindh visited Aror University Sukkur, where she was warmly received by Prof. Dr Zahid Hussain Khand, the Vice Chancellor of University.

During the visit, Mrs. Rashdi was given a comprehensive presentation on the University's strategic initiatives, ongoing projects, and its Strategic Plan for 2023-2030. She expressed her appreciation for the University's leadership, commending its visionary initiatives and transformative progress.

Mrs Rashdi praised the University's forward-thinking approach, emphasizing the critical role of educational leadership in fostering regional development and promoting academic excellence. She acknowledged the University's commitment to creating a dynamic and thriving educational environment for both students and faculty.

The visit concluded with the presentation of souvenirs, ribbon cutting ceremony of relocated Wax Museum, a tree plantation in front of library lawn, and a campus tour, during which she had the opportunity to witness the outstanding work of the students, the University's infrastructure, and the vibrant academic atmosphere being cultivated at Aror University Sukkur.

# The Vice Chancellor, Prof Dr Zahid Hussain Khand Engages in Open Kachehri with Students at Aror University Sukkur, organized by AUSC

January 20, 2025 – Aror University Students' Council (AUSC) hosted an Open Kachehri with the Vice Chancellor, Prof. Dr Zahid Hussain Khand, where students had the unique opportunity to engage in direct dialogue with the university leadership. The event, held on campus, served as a platform for students to openly share their concerns and challenges with the Vice Chancellor, who responded to each query with solutions and corrective measures.

Throughout the session, Dr Khand encouraged an open and transparent exchange of ideas, reaffirming the university's commitment to creating an environment where students' voices are heard and addressed. He emphasized that the university's philosophy is rooted in the principle of "Students First," ensuring that their welfare and development remain the institution's topmost priority.

The Vice Chancellor also highlighted the vital role students play in the overall success and growth of Aror University, stating, "Students are the true asset of this university, and we must always prioritize their needs, both academic and personal, to create a nurturing environment for their success."

This initiative reflects Aror University's ongoing commitment to fostering an inclusive and student-centric environment, where every individual is empowered to contribute to the university's progress.

# Aror University Participated in 4<sup>th</sup> Sindh Research and Technology Showcase - 2025

Aror University of Art, Architecture, Design, and Heritage, Sukkur, successfully participated in 4th Sindh Research and Technology Showcase 2025, organized by the Sindh Higher Education Commission on January 22 and 23, 2025. # Department of Environmental Sciences organized study trip to Safari Park and Forest Ghotki, for Hands on learning

March 8, 2025– The Department of Environmental Sciences successfully organized an educational study trip to Safari Park and Forest Ghotki, aimed at enhancing students' understanding of biodiversity, forest ecosystems, and nature conservation.

The trip provided students with an opportunity to observe and study the wildlife biodiversity, the life processes of various animal species, and the ecological mechanisms that conserve biodiversity. Through guided tours and interactive sessions, students gained valuable insights into the importance of conservation efforts and sustainable environmental practices.

## Another Feather in the cap of Aror University Sukkur

March 12, 2025 – Aror University Sukkur proudly achieved a monumental milestone in its journey towards digital transformation. It has become the first university in Sindh and one of only six Higher Education Institutions (HEIs) in Pakistan to successfully transition from manual processes to fully digital operations. This breakthrough not only enhances operational efficiency but also reduces costs, aligning with globally recognized best practices.

In collaboration with the Higher Education Commission (HEC) Pakistan and HEDP-PK, Aror University Sukkur is thrilled to announce the successful completion of the Wave 1 #GoLive of the SAP ERP solution for back-office management. This innovative system marks a significant leap forward in university administration and management, laying the groundwork for a more agile and effective operational structure.

The SAP ERP solution will modernize the

university's administrative processes, including finance, human resources, student services, and procurement. This digital leap is set to streamline daily operations, improve data accuracy, and foster a more transparent and efficient system.

"We are excited to be part of this transformative journey that is revolutionizing management within higher education in Pakistan," said the Vice-Chancellor of Aror University Sukkur. "This achievement is not just a technological upgrade but a reflection of our commitment to fostering academic excellence while eliminating the constraints posed by outdated administrative systems. Our students and staff will benefit immensely from the enhanced efficiency and reduced operational overhead."

At the end, certificates & shields were presented to the staff, faculty & trainers who were part of this digital transformation.

# CEO SARSO Muhammad Dittal Kalhoro visits Aror University Sukkur

Chief Executive Officer of SRSO, Muhammad Dittal Kalhoro, paid a visit to Aror University Sukkur, where he was warmly welcomed by Vice Chancellor Prof. Dr. Zahid Hussain Khand. As a token of appreciation, the CEO presented him with a beautifully embroidered frame of Aror University logo—handmade wall hanging crafted by skilled rural women artisans under SRSO's Sartyoon Sang Crafts Enterprise. Expressing his gratitude, the Vice Chancellor commended the exceptional craftsmanship of SRSO-supported rural women artisans. Both dignitaries emphasized the importance of promoting handmade crafts as sustainable enterprises, fostering the social and economic empowerment of rural women.

On 18th March 2025, the Quality Enhancement Cell (QEC) at Aror University of Art, Architecture, Design, and Heritage, Sukkur, successfully conducted an insightful training session titled "Enhancing Quality Assurance: Understanding PSG-2023, PREE, RIPE, and QA Performance Indicators".

The session provided valuable insights on quality assurance, greatly benefiting faculty members from various programs across the university, as well as QEC representatives. Together, we are dedicated to enhancing the quality of education and fostering excellence at Aror University.

## The Faculty of Design - FoD at Aror University Sukkur

successfully organized an insightful session featuring the esteemed speaker Abdul Rehman, moderated by Mr Najeeb Jatoi, Assistant Professor, Textile Design. In a strong move to uplift females in tech, 30% of these scholarships are reserved for female students.

The MoU was signed by Prof. Dr Zahid Hussain Khand, the Vice Chancellor, Aror University Sukkur, Umar Farooq, CEO, Tech Valley Pakistan & Noor Ahmed Samoo, Secretary, IS&TD on 24th March, 2025 at CM House, Karachi.

# Aror University Sukkur Hosts Floral-Themed Iftar to Champion Sustainability and a Greener Future

Sukkur, March 26, 2025 – Aror University Sukkur hosted the Iftar dinner with Flowers, marking its commitment to sustainability and environmental responsibility. The event featured stunning floral arrangements and landscape artistry, aligning with the university's goal of transforming Aror University into a Green Campus. This initiative reflects the university's ongoing dedication to raising environmental awareness and promoting a more sustainable urban environment.

In his remarks, Vice-Chancellor Prof. Dr Zahid Hussain Khand commended the horticulture team for their tireless efforts in preserving the university's verdant campus. He emphasized the importance of expanding such green initiatives throughout the city to foster environmental awareness within the wider community.

Syed Zeerak Khursheed Shah, during his speech, congratulated the Vice-Chancellor and his team for their outstanding contributions, making Aror University an ideal place for students to further their education.

Chief guest Syed Khursheed Ahmed Shah (MNA) praised the university's focus on both environmental sustainability and academic excellence. He pointed out the significant impact of the university's eco-friendly projects in combating climate change and promoting environmental awareness. He also expressed his gratitude to the attendees and reaffirmed the university's commitment to building a more sustainable future.

Many special thanks to our esteemed dignitaries who graced the event with their presence, including Muhammad Khalid Kakizai, President & other representatives from the Sukkur Chamber of Commerce and Industry, Prof. Dr Asif Ahmed Shaikh, Vice Chancellor, Sukkur IBA University, Dr Arshad Mughal, Deputy Mayor of Sukkur, and other distinguished individuals and notable figures from the Sukkur city.

Special recognition was given to the horticulture team, led by Ali Gul Shabnani, for their exceptional work in ensuring the success of the event. The evening concluded with the distribution of souvenirs, cheques, and certificates to the horticulture team members, as well as students who earned the highest CGPA and those awarded Pakistan Bait-ul-Mal scholarships.
